We are excited to share with you some of our upcoming activities and events of 2023 which is promising to be a great year. We will be continuing our virtual events and introducing more opportunities to gather in person. We will be celebrating our 15th anniversary as well as planning a return to overnight camp at Riverview. We come into this year with a vision for building more community connections, more volunteers and developing deeper relationships with our families.

What People Are Saying About Village Eulogia

We enjoyed the Christmas party because we were surrounded by families who were like us, families with disabilities; we weren't worried about people staring at us because we are different, we felt comfortable to be there; usually we dread the stares, especially from neurotypical adults who should know better.

We didn't feel we had to rush out of there in case my son was seen as 'disruptive' because he wasn't, he was just like everyone else at VE. The volunteers at VE were really friendly; they introduced themselves and had friendly conversations with us, they made us feel welcome.
